

# PRECIOSO — CABERNET FRANC

The Precioso line celebrates the precision, concentration, and intensity of our very premium Micro Terroirs.

Precioso Cabernet Franc is an expressive, complex, and bold red wine with elegant oak use. Its expressive profile of abundant plum, blackberries jam, black pepper, with a soft pyrazine, leather and smoke undertone, surprises in the nose and the palate. It finishes with a dried tobacco and chocolate note from the oak. The tannins are fine-grained and abundant, giving it a luscious texture, perfectly balanced with its vibrant acidity.

## VINTAGE HIGHLIGHTS

Higher and well-distributed rainfall thought the 2022 was a long and dry growing season of outstanding quality. Veering on the cooler side of average temperatures, yields were still plentiful, and grapes achieved ideal ripeness throughout a very long cycle. Rainfall was limited, but abundant glacial water and sporadic showers were timed perfectly to help the vine's balance. After cooler autumn and ideal growing conditions in February and March, we were able to produce wines with remarkable quality.
