

# COLECCION IV — MALBEC CUARTEL 2

Coleccion is a limited edition of the best barrels selected every year because they represent our innovative approach to winemaking and our constant search for the most unique expression of our Terroir.

## VINTAGE HIGHLIGHTS

Despite Covid challenges and a climate of extreme drought, 2020 vintage led to outstanding quality grapes. As a result of the accumulated extremely dry conditions, rainfall decreased by 20% compared to the previous season, and river flows were 50% lower than average. The 2020 summer was warm and cooled off by the end of February, leading to a very early harvest. Beautifully concentrated wines with expressive aromatics and high vibrant acidity followed, predicting maybe one of the best vintages in recent history.
